

SCRIP UP-DATE

The April 9th order of scrip had been placed and received by Crown of Life and totaled \$ 1,440.00. The total dollar contribution received by the church & school was an additional \$ 48.00!

With some of these extra monies we were able to pay the bill for the new church & school sign for the South side of the building, a bill of \$ 654.80 that WAS NOT budgeted this year. PLEASE use the Scrip Program for all of your regular purchases, our avg. return to the Church & School for total orders is almost 4-5%! All this for buying the things you regularly buy!!
